

CURRIER MUSEUM *of* ART

Yellow Bus Fund Application

Spring 2017

Thanks to a generous gift from the Bank of New Hampshire and another foundation, the Currier Museum of Art is pleased to offer transportation scholarships for K-12 public school groups in New Hampshire for the spring of 2017: funding is awarded on a first-come, first-served basis, and is subject to availability. To apply you must confirm a visit date with the Currier and submit the following application at least a week in advance of your visit. You will be notified for your award before your visit.

The Currier's Yellow Bus Fund covers the cost of bus transportation for your field trip, up to \$200. Admission and tour fees to the Currier are not included and are the responsibility of each school. **Schools are responsible for scheduling their own transportation and submitting bus invoices to the Currier Museum of Art within 30 days of visiting, the bus scholarship will be paid directly to the bus company.**

Reporting: Please note that recipient schools will be expected to provide a 300-500 word report with images describing the value of the trip to the Currier within 30 days after the visit. The report may include photographs, artwork, and/or quotes from students and teachers.

Funding for the year is limited, so apply early! Please allow 7-10 business days for a response to your request. For more information, please contact the Tour & Volunteer Manager at 603.669.6144 x113 or tours@currier.org.

Thank you for your interest in visiting the Currier Museum of Art!
