ART-MAKING ACTIVITIES

IN THE STUDIO | 11 AM - 2 PM

Take part in a themed art activity each month, inspired by the Currier's vast collection or current exhibitions.

Join us this month on **Saturday, March 16**, for a special activity inspired by our current exhibition *Toward the New: A Journey into Abstraction*.

Using a special memory, create cut-out silhouettes in the style of abstract artist Elizabeth Murray to recreate a scene for you to have forever.

COMPLIMENTARY LUNCH

IN THE WINTER GARDEN CAFÉ

On Art for Vets Family Day, Veterans, active-duty military, and their families can enjoy free admission and complimentary lunch in our café (limit party of 4 and up to \$15 each).

On other days, general admission to the museum is always free for Veterans, and active-duty members (and they may bring one free guest).

Veterans and services members will be asked to please present proof of status.
