

Activity: Photo Challenge: Get outside and take some nature photos, then use them as inspiration in creating your own colorful artwork.

Materials:

- Photos from outside (or if you can't get outside, use images from online or a magazine)
- Paper
- Pencil
- Colored pencil, marker, crayon, or paint to add color

Tips:

- Remember that your photos serve as inspiration only. Your drawings do not have to be copies of the photos. Pull out patterns and colors that you enjoy, to add to your own interpretation on the images.
